The Daylight Store

SO MANY NEW GOODS

That we hardly know what to speak of first. We have added several new lines for our Fall trade, such as Ladies' and Gents' Traveling Bags and Traveling Cases, Teddy Bears, and later, for the holiday trade, will have Cut Glass and fancy articles. Just now we ask your attention to our Dress Goods.

DRESS GOODS

Fancies are good but plain colors have first call and best colors are navies, reds and blacks, with browns very good, and some very nice shades in new greens.

36-inch All-wool Dark Red Serge, now at 50c.

36-inch All-wool Dark and Light Red All-wool Cheviot, now at 55c.

All-wool Light and Dark Red Etonne, 44 inches wide, one of our best cloths, now at 87c.

45-inch very Dark Garnet Serge, a new shade, for only \$1.00.

Our special \$1.25 Broadcloth at \$1.00 and our Chiffon Broadcloth at \$1.75 are up to the best trades on the market.

DRESS GOODS

Navy Dress Goods were never so good style as today. Over half of our special orders for Ladies' Suits for the last ten days have been on navies, showing that ladies want navies.

Our showing of Navy Dress Goods is at its best, as follows:

37-inch Navy Mohair in an imported cloth for only 50c. (The price of domestic mohair.)

36-inch Navy All-wool Panama and Serge are here at 50c.

36-inch Navy Cheviots, very good for whole costumes, here at 55c.

50-inch Navy Panama at 85c and \$1.00. Costume Serges, same width, at \$1.35.

DRESS GOODS

For the last three years we have carried about every kind of a black cloth on the market, our dress goods business has doubled several times its size and if present indications count, will nearly double again this season. Such values as these, and always having them in the desirable colorings, is what counts.

Navies are beautiful when in best shades browns and reds, the same. (Poor shades spoil best colors.)

Special prices in Black Dress Goods, at 50c, 55c, 87c and \$1.00 per yard, new weaves are no more than old styles.

Mr. and Mrs. Andrew J. Johnson.

HOUSEHOLD HINTS.

Whole cloves will more effectually exterminate moths than camphor, tobacco or cedar shavings.

A teaspoonful of ammonia to a teaspoonful of water, applied with a rag, will clean gold and silver jewelry beautifully.

In cleaning clothes in gasoline when it leaves a ring around the part cleaned the ring can be removed by steaming it over the teakettle.

Spread a newspaper under the burners of the gas stove. It will catch everything that boils over and save a great deal of cleaning and hard work.

When ink is spilled on the carpet take up as much as possible with blotting paper. Apply milk with a cloth, changing the milk often. When the ink has been removed wash with ammonia and water.
